

CITY OF ARANSAS PASS

AGENDA MEMORANDUM
City Council Meeting of July 2, 2018

Date: July 2, 2018

To: Mayor and City Council

From: Gary Edwards, City Manager

Title: Consider And Act On Resolution No. 2018-864 Creating The Wet Slip Ad Hoc Review Committee

PURPOSE: It is anticipated that there will be numerous requests for the placement of Wet Slips (also called boat slips) on Conn Brown Harbor. Most likely, these will be placed at leased locations. This committee will review all wet slip requests before the requests are presented to the City Building Official for permitting and before requests for approval are submitted to the United States Corps of Engineers.

BACKGROUND AND FINDINGS: A City Leasee recently applied to the Corps of Engineers for some business related Wet Slips and was approved by the Corps. These requests also need to be inspected by and permitted by the City Building inspector. In a meeting with the Corps on Thursday, June 28th, the Corps made it clear to the City that they will not approve Wet Slips (also known as boat slips) if the city opposes the construction. This is the reason for the committee. With the exception of those already approved or already being submitted to the Corps, I think it is important for a committee to review requests prior to going to the Corps of Engineers.

EMERGENCY/NON-EMERGENCY: Non-emergency

FINANCIAL IMPACT: N/A

RECOMMENDATION: The City Manager recommends approval

LIST OF SUPPORTING DOCUMENTS: N/A
