What feedback can you share with me about your experience the the rating you provided?

The response time and coverage were excellent.

It was scary and the officers responded quickly and were professional, kind, and informative.

The officer was upbeat and thorough.

Everything was good

Officer was polite and cordial, dispatcher was good.

Respondent stated, "They are a little slow sometimes. It took me a while to catch them and when they showed up it escaped. I don't know what ever happened to it. We had something to do and we had to be somewhere so we had to wait. There was a time where there were two strays at Veteran's Memorial Park and they picked up the dogs and take them to the owner and it continued to come back so it seems like they did nothing about it." The respondent also inquired about the microchip program and I provided her with the information.

It was in reference to a dead opossum. She observed a dead opossum on the roadway and did not want it to be continuously run over and make a mess so she called it in and then left to take her children to school.

Before she got back, it was picked up (within 30-40 minutes). She was surprised because it went pretty fast and she had expected the opossum to still be on the roadway when she returned.

Thinks APPD is doing a very good job at what you do.

Really appreciate the fact that Detectives are keeping her informed.
