Detective Allen did a good job, he kept up to date and followed up with her.

Officers were out to the location faster than she thought and called her right away about the welfare of her family member. Awesome experience!

Reporting party is a police officer at an area Sheriff's Office, he said he was impressed that the dispatcher spoke in plain language and was clear with what questions were asked. Officers responded with 4 minutes. Reporting party said he was very happy with his experience.

Generally very happy with the investigator response to the cases they have worked for HEB

The service was great. Both ACO's were super nice and did a great job. They told me some history about the dog I called about and we spoke about a couple of other dogs.

There was a cat in bad shape. I tried the ASPCA over by the cemetery and they wouldn't help and referred me to a bunch of places in Corpus. I then called animal control and they showed up in about 30 seconds. They were able to help me and gave me information for in the future. They were very professional.

They are real quick and they were very nice. They were nice to the dog and didn't do anything mean and resolved the situation very quickly.

The lady was very kind and she was very nice with the dog that just showed up on the construction site. She was very kind and courteous.

Sgt Jones did great, kept RP in the loop the entire time and was very informative.

Sgt. Jones was very courteous and informative, very good experience.

Officers checked the area, showed up quickly and dealt with 3 juveniles on neighbor's property.

Response was excellent.

Very happy with the job Det Allen did.
